STAFF REPORT

DATE: July 18, 2023
TO: City Council
THROUGH: Keith Witcosky, City Manager
Jason Neff, Deputy City Manager
FROM: Devin Lewis, Police Chief
SUBJECT: Systems Commissioning contract to Systems West Engineers for the Public Safety Facility: \$121,100

Report in Brief:

This item requests City Council approve a not to exceed contract in the amount of \$121,000 to System West Engineers for commissioning services on the new Public Safety Facility (PSF). This is a multi-year contract with a duration through the completion of design and construction.

Background:

The \$49 million PSF is among the three most important capital construction projects the City of Redmond will be undertaking over the next few years. The following milestones have occurred since the project's origination in 2021:

- July 2021 - City Council sets an annual goal to advance the PSF project forward and approves \$2 million of the General Fund towards the PSF.
- September - October 2021 - City Council approves \$2.9 million of American Rescue Plan Act (ARPA) (CSLFRF) funds towards the project.
- October 2021 - City purchases approximately 8 acres, for \$2.3 million, located at 2983 NW Canal Boulevard for the site of the new facility.
- February 2022 - City Council approves ballot title and language for a \$40 million General Obligation (GO) Bond to construct the project.
- February 2022 - City Council sets a \$49 million cost cap for the project.
- March 2022 - City Council approves \$2.9 million of ARPA (CSLFRF) funds towards the PSF.
- May 2022 - Redmond voters approve the GO Bond ballot measure.
- June 2022 - City Council approves \$1.1 million of the General Fund to go towards the project.
- August 2022 - City closes on the GO Bond marking full funding for the project.
- September 2022 - City Council awards a \$500,000 Owner's Representative service contract to Cumming for project management.
- December 2022 - City Council awards a \$3.5 million Architectural Design and Engineering Services contract to FFA Architecture + Interiors for the project.
- January 2023 - City Council awards a \$90,000 Construction Management/General Contractor (CM/GC) services contract to Pence Construction for the project.

Discussion:

The City's Owner's Representative, Cumming, issued a Request For Proposal for Commissioning Services on the new PSF. They received five proposals which were reviewed by the Owner's Representative, the Architectural/Design team for the project (FFA), and the CM/GC team (Pence Construction). The five proposals came from:

- Elevate Building Commissioning for \$135,930
- Interface Engineering for \$137,800
- Northwest Engineering Services for \$119,526
- Sazan Group for \$124,104
- Systems West Engineers for \$121,100

After completion of the process, the committee selected Systems West Engineers. This recommendation is based on their experience with similar projects, local knowledge, ability to meet our schedule, and financial considerations.

Commissioning is the process of thoroughly verifying and proving that building systems are installed and operating according to the criteria in the original design and engineering documentation. Systems West Engineers will be a third party consultant that will review the MEP design and then perform field inspections throughout the construction phases and report back if anything needs to be rectified. Procuring commissioning services is standard practice to ensure the MEP systems perform as expected.

Fiscal Impact:

All funding for the \$49 million PSF project has been secured, including \$5.9 million from ARPA (CSLFRF) funds, \$3.1 million from the City General Fund, and the \$40 million voter approved GO Bond. This \$121,100 contract for Commissioning Services, along with additional funding needs and contracts for the PSF will be paid for through these funds.

Alternative Courses of Action:

1. Approve the contract with Systems West Engineers for a not to exceed amount of \$121,100.
2. Request additional information.
3. Do not award the contract.

Recommendation / Suggested Motion:

"I move to award a contract for Public Safety Facility Commissioning Services to Systems West Engineers in an amount not to exceed \$121,100 and authorize the City Manager to sign the contract."

STAFF REPORT

DATE: July 18, 2023
TO: City Council
THROUGH: Keith Witcosky, City Manager
FROM: Keith Leitz, City Attorney
SUBJECT: Ground Lease of approximately 12-acres from Deschutes County, located at 1002 NE 17th, for the East Redmond Homeless Campus.

Report in Brief:

This item requests City Council enter into a 10-year ground lease of 12 acres from Deschutes County, located at 1002 NE 17th Street for the East Redmond Homeless Campus: Lease rate \$0.

Background:

The Redmond City Council has made addressing homelessness among its top priorities. The Council 2023-2025 Goals include the following:

OBJECTIVE:

- Take concrete steps to find alternatives for people who are unhoused and unsheltered.

ACTIONS:

- Convene partners and service providers to prioritize and implement near-term solutions such as the safe parking program and temporary housing.
- Fully participate with Deschutes County Coordinated efforts, including relocating unsheltered persons in the Runway Protection Zone.

To advance this goal, the Council and staff have been working with service providers and governmental partners to identify land in east Redmond for a tiny shelter project and related services, as well as a managed vehicle camping component.

Deschutes County expressed interest in leasing 12 acres of land to the City for such a project. The initiative was further bolstered in spring 2023 when an application for state resources through the Central Oregon Intergovernmental Council was funded in the amount of \$975,000 to pay for infrastructure at the proposed site.

Specifically, \$525,000 of the \$975,000 will be used to extend utilities (water, sewer, and electrical) under Highway 126 to the East Redmond Campus. The remaining \$450,000 will be used for the construction of the Community Building. The building will be comprised of restrooms, showers, laundry, kitchen, common room, meeting space, etc. to support a village of up to 40 shelters.

The campus is expected to initially consist of 15 individual shelter units and supportive structures. Shelters will house one to two individuals for an expected occupancy of 20 people. Operations will be funded by the provider and are expected to include onsite case management and peer support. Staff will be supported by trained volunteers, partner service agencies, and an advisory group of residents.

These resources are required to be spent by early 2024, which is why the initial buildout prioritizes the shelter aspect of the campus with the managed vehicle camping component to follow in 2024 and beyond.

Discussion:

The lease with Deschutes County includes the following notable terms:

- Lease length: 10 years with options to renew/extend.
- Lease cost: \$0
- Obligations: The City completes the investments in utilities and infrastructure and the community building.
- Other obligations: Property will be used for homeless services.

The Council's expectation is that the City will master lease the property to a homeless service provider(s).

After the City Council's approval, the lease is scheduled for action by the Deschutes County Board of Commissioners in late July 2023.

Fiscal Impact:

The lease rate will not have a direct cost to the City as it is \$0.

There will likely be costs associated with other infrastructure to help the site be functional. This includes constructing paths which connect the site to existing sidewalks, potential improvements to NE 21st Street which bring benefits to the campus, as well as future developments such as CORE3.

A better understanding of these elements will become clearer over the next three to nine months as further analysis and project bid documents are developed and processed.

Alternative Courses of Action:

1. Approve the lease
2. Do not approve the lease
3. Take no action and request more information

Recommendation / Suggested Motion:

"I move to approve a ground lease with Deschutes County for approximately 12 acres located at 1002 NE 17th Street and authorize the City Manager to sign the lease and make non-substantive changes if they are required for County approval."

Lessor and Lessee are referred to herein as "Party" or "Parties."

A. RECITALS

1. Lessor owns certain real property located at 1002 NE 17th Street, Redmond, OR, 97756. It contains +/- 1,750-acres as shown on Exhibit A, attached hereto and incorporated herein by reference. ("Property").
2. Lessee is a municipal corporation who owns and operates certain municipal utilities (sewer and water) that will be used to provide services to the Property.
3. Subject to the terms and conditions of this Agreement, the Parties desire to enter into this Agreement to lease a portion of the Property containing +/- 12-acres, more or less, as described on Exhibit B and as shown on Exhibit C, attached hereto and incorporated herein by reference ("Site").
4. Lessor agrees to lease to Lessee the Site.
5. Lessee agrees to provide infrastructure and utilities to the Site as outlined below. A series of infrastructure improvements will be required to serve the East Redmond Campus and allow it to be operational. The project recently received \$975,000 in state funding through Central Oregon Intergovernmental Council for the project. The Lessee and Sublessee(s) plan to raise additional capital for the project. The current estimate for these investments is approximately \$975,000. If the actual cost exceeds this estimate, Lessee agrees to pay the full cost of the below improvements:
 - a. Utilities (water, sewer, and electrical) under Highway 126 and to the Redmond Oasis Village Project (ROVP) East Redmond Campus for provision of homelessness services Community Building. In addition to serving ROVP the first 2-acres, utilities will allow future homeless services to be provided on the adjoining 10 acres of the Site (currently projected to serve as a managed vehicle camping area operated by Mountain View Community Development). This project has a known as the East Redmond Campus (currently estimate of at approximately \$525,000).
 - b. Community Building comprised of restrooms, showers, laundry, kitchen, common room, meeting space, etc. to support a village of up to 40 shelters. In the first years of operation, the community building will also be able to offer space for other homelessness services providers operating at the East Redmond Campus. This project has a current estimate of approximately (currently estimated at \$450,000).
 - c. If the actual cost exceeds the \$975,000 estimate, Lessee or Sublessee agrees to pay the full cost of the above improvements, subject to the following:

i. Lessee shall retain full control of the Utilities and Community Building project(s) scope and authority, and value engineering decisions.

b.ii. Prior to construction, if the RFP estimate(s) exceeds the City Engineer's estimate, the Lessee retains the option to terminate the lease.

Commented [KL1]: We can work out the details but the City cannot commit to a blank check for improvements, so the goal here is sideboards.

6. ~~ROVP-The East Redmond Campus~~ will initially consist of 15 ~~or more~~ individual shelter units and supportive structures. Shelters will house one to two individuals for an expected occupancy of 20 people. It is intended that a full-time director will oversee ~~ROVP-the Shelters~~ and offer onsite case management and peer support. Lessee's indemnification obligations under this Section B.11.1 will survive the expiration or termination of this Agreement.

11.2 Except to the extent caused by the gross negligence or willful misconduct of Lessee, Lessor will indemnify, defend, and hold Lessee and Lessee's current and future elected officials, officers, employees, contractors, agents and volunteers (collectively, "Lessee's Agents") harmless for, from, and against any and all claims, losses, damages, and/or liabilities arising out of or related to, whether directly or indirectly, the following: (a) any negligence or misconduct of Lessor and/or Lessor's members, managers, officers, employees, agents, contractors and volunteers (collectively, "Lessor's Agents") on or at the Property; (b) any condition of the Site (including, without limitation, any improvements constructed thereon) that is caused solely by Lessor and/or Lessor's Agents while the Site is in the possession or under the control of Lessee; and/or (c) Lessor's breach

and/or failure to perform any Lessor obligation, covenant, representation, and/or warranty under this Agreement. Lessor's indemnification obligations under this Section B.11.2 will survive the expiration or termination of this Agreement.

12. PARTIAL TAKING. If a portion of the Site is condemned and Section B.12 TOTAL TAKING does not apply, the Agreement shall continue on the following terms:

12.1 Lessor shall be entitled to all of the proceeds of condemnation and Lessee shall have no claim against Lessor as a result of the condemnation.

12.2 Lessor shall proceed as soon as reasonably possible to make such repairs and alterations to the Site as reasonably practicable to return the Site to its condition existing at the time of the condemnation, but in no event shall Lessor be liable for repairs in excess of condemnation proceeds awarded to and received by Lessor. The Lessor may, but shall not be required to, perform alterations prior to the actual taking after the portion to be taken has been finally determined. Rent shall be abated to the extent the Site is untenable during the period of alteration and repair.

12.3 After the date on which title vests in the condemning authority or an earlier date on which alterations or repairs are commenced by Lessor to restore the balance of the Site in anticipation of taking, the rent, if applicable, shall be reduced commensurately with the reduction in value of the leased Site as an economic unit on account of the partial taking. If the parties are unable to agree upon the amount of the reduction of rent, the amount shall be determined by arbitration.

12.4 If a portion of the Lessor's Property not included in the leased Site is taken and severance damages are awarded on account of the leased Site, or an award is made for detriment to the leased Site as a result of change of grade of adjacent streets or other activity by a public body not involving a physical taking of any portion of the land, this shall be regarded as a partial condemnation of which subparagraphs (A) and (C) of "Partial Taking" above apply, and the rent, if applicable, shall be reduced to the extent of diminution of value of the Site as though a portion had been physically taken.

13. TOTAL TAKING. If a condemning authority takes all of the Site or a portion sufficient to render the Site reasonably unsuitable for the use which the Lessee was then making of the Site, the Agreement shall terminate as of the date the title vests in the condemning authority. Lessor shall be entitled to all of the proceeds of condemnation and the Lessee shall have no claim against Lessor as a result of the condemnation.

14. SALE IN LIEU OF CONDEMNATION - DEDICATION TO THE PUBLIC. Sale of all or part of the Site to a purchaser with the power of eminent domain in the face of a threat or probability of the exercise of the power shall be treated for the purpose of this Section B.14 as a taking by condemnation. Dedication to the public, sale, or transfer of all or a portion of the Site to the State of Oregon, its political subdivisions or United States of America, shall be treated as a Total Taking or Partial Taking, as applicable.

15. LIENS.

15.1 Except with respect to activities for which the Lessor is responsible, the Lessee shall pay as due all claims for work done on and for services rendered or material furnished to the Site and shall keep the Property free from any liens.

15.2 Lessee may withhold payment of any claim in connection with a good faith dispute over the obligation to pay, so long as Lessor's Property interests are not jeopardized. If a lien is filed as a result of nonpayment, Lessee shall, within thirty (30) days after knowledge of the filing, secure the discharge of the lien or deposit with Lessor cash or a sufficient corporate surety bond or other surety satisfactory to Lessor in an amount sufficient to discharge the lien plus any costs, attorney fees and other charges that could accrue as a result of a foreclosure or sale under a lien.

15.3 If Lessee fails to pay any such claims or to discharge any lien, or bond over any such lien, within thirty (30) days after written notice of such lien, Lessee shall remedy any lien. If Lessee fails to remedy any liens, Lessee will be in default and such default may be remedied or exercised in accordance to Section B.18.

16. INSURANCE.

16.1 Lessee shall keep the Site improvements and personal property of the Lessee insured at its own expense against fire and other risks covered by a standard fire insurance policy with an endorsement for extended coverage. The Lessor shall not be responsible for and shall not provide fire or extended coverage on the Site improvements or personal property of the Lessee.

16.2 Liability Insurance: Lessee shall procure and during the term of the Agreement shall continue to carry and maintain commercial general liability insurance including fire legal liability and automobile liability insurance at Lessee's cost issued by a responsible company with limits of not less than \$1,000,000 for each occurrence and \$2,000,000 in the aggregate for commercial general liability insurance and \$1,000,000 combined single limit for automobile liability insurance. The limits of the insurance shall be subject to statutory changes as to maximum limits of liability imposed on municipalities of the State of Oregon during the term of this Agreement. Such insurance shall protect Lessee against the claims of Lessor on account of the obligations assumed by Lessee under this Agreement, and shall name, as additional insureds, Lessor and its elected officials, officers, agents, and employees. It is an affirmative obligation on the Lessee to advise the Lessor within ten (10) business days of any substantive change of any insurance policy or endorsement set out herein, and failure to do so may be construed to be a breach of this Agreement. If the insurance is canceled or terminated prior to termination of the Agreement, Lessee shall provide a new policy with the same terms. Lessee agrees to maintain continuous, uninterrupted coverage for the duration of the Agreement.

16.2.1 Certificates evidencing such insurance and bearing endorsements requiring 30 days' written notice to Landlord prior to any change or cancellation shall be furnished to Lessor prior to Lessee's occupancy of the Site. Lessee shall maintain, on file with Lessor, a certificate of insurance certifying the coverage required as outlined. The adequacy of the insurance shall be subject to the approval of the Lessor's Risk Manager or Attorney. Failure to maintain liability insurance required by this paragraph shall be

cause for immediate termination of this Agreement by Lessor.

16.3 Workers' Compensation Insurance: If Lessee is a subject employer under the Oregon Workers' Compensation law, it shall comply with ORS 656.017, by providing workers' compensation coverage for all its subject workers for the duration of this Agreement. The employer's liability limits shall have minimum limits of \$500,000 each accident; \$500,000 for disease, each employee and \$500,000 disease, policy limits.

16.3.1 The policy coverage shall include a waiver of subrogation in Deschutes County's favor. A certificate of insurance, or copy thereof, shall be attached to this Agreement, if applicable, and shall be incorporated herein and made a term and part of this Agreement. The adequacy of the insurance shall be subject to the approval of Lessor's Risk Manager or Attorney.

16.3.2 In the event the Lessee's workers compensation insurance coverage is due to expire during the term of this Agreement, the Lessee agrees to timely renew its insurance, either as a carrier-insured employer or a self-insured employer, as provided by Chapter 656 of the Oregon Revised Statutes, before its expiration, and the Lessee agrees to provide the Lessor such further certification of workers' compensation insurance as renewals of said insurance occur.

16.4 Subrogation: Neither party shall be liable to the other (or to the other's successors or assigns) for any loss or damage caused by fire or any of the risks enumerated in a standard fire insurance policy with an extended coverage endorsement, and in the event of insured loss, neither Party's insurance company shall have a subrogated claim against the other. This waiver shall be valid only if the insurance policy in question expressly permits waiver of subrogation or if the insurance company agrees in writing that such a waiver will not affect coverage under the policies. Each Party agrees to use best efforts to obtain such an agreement from its insurer, if the policy does not expressly permit a waiver of subrogation.

17. ASSIGNMENT AND SUBLEASE. Lessee will not sell, assign, mortgage, sublet, lien, convey, encumber, and/or otherwise transfer (whether directly, indirectly, voluntarily, involuntarily, or by operation of law) all or any part of Lessee's interest in this Agreement and/or in the Site (collectively, "Transfer") without Lessor's prior written consent. Notwithstanding anything to the contrary set forth in this Agreement, Lessee shall have the right to assign or transfer its interest in this Agreement to any affiliate of Lessee or subsidiary of Lessee's ultimate parent, without Lessor's consent but with written notice to Lessor. Upon any approved Transfer, (a) the terms and conditions of this Agreement will in no way be deemed to have been waived or modified, (b) consent will not be deemed consent to any further Transfer, (c) the acceptance of Rent by Lessor from any other person will not be deemed to be a waiver by Lessor of any provision of this Agreement, and (d) no Transfer relating to this Agreement, whether with or without Lessor's consent, will modify, relieve, or eliminate any liability or obligations Lessee or any guarantor of this Agreement may have under this Agreement. Any Transfer which does not comply with this Agreement will be void and will constitute a breach of this Agreement.

~~46- 17.1 Parties recognize Lessee will sublet or sublease or sublease two acres all or a portion of the Site for the purposes outlined in Section A.~~

subsections 5 and 6 above in Section A.6 above. Parties further recognize Lessee's intent to sublet or sublease all or a portion of the remaining 10 acres of the Site to a third party(s) for the purpose(s) of constructing and/or operating individual shelter units, supportive structures, recreational and vehicle campings, congregate shelter space, and/or other shelter options to provide housing options. Lessor consents to Lessee's sublet or sublease for the purpose(s) contained in Section B.17.1 of this Agreement.

18. DEFAULT. Each of the following will constitute an "Event of Default" and a breach of this Agreement:

18.1 Failure of Lessee to pay taxes or assessments as applicable, utilities or any other charge. If Lessor is notified of any such amounts related to the Site or Lessee's operations specific to the Site, said amounts must be paid by Lessee within ten (10) business days after written notice from Lessor.

18.2 Failure of Lessee to perform or comply with any term, condition, and/or covenant or fulfill any obligation of the Agreement (other than the payment of rent or other charge, cost, and/or expense) within thirty (30) days after written notice is received by Lessee from Lessor specifying the nature of the default with reasonable particularity. If the failure is in such a nature that it cannot be completely remedied within the thirty (30) day period, the failure will not be a default if Lessee begins correction of the failure within the thirty (30) day period and thereafter proceeds with reasonable diligence and in good faith to effect the remedy as soon as practicable, so long as a full cure of said default is made within ninety (90) days of the original written notice.

18.3 Attachment, execution, levy, and/or other seizure by legal process of any right or interest of Lessee under this Agreement if not released within thirty (30) days.

18.4 Lessee becomes insolvent within the meaning of the United States Bankruptcy Code, as amended from time to time; an assignment by Lessee for the benefit of creditors; the filing by Lessee of a voluntary petition in bankruptcy; an adjudication that Lessee is bankrupt or the appointment of a receiver of the properties of Lessee; the filing of any involuntary petition of bankruptcy and failure of Lessee to secure a dismissal of the petition within thirty (30) days after filing; attachment of or the levying of execution on the leasehold interest and failure of Lessee to secure discharge of the attachment or release of the levy of execution within ten (10) days.

19. REMEDIES ON DEFAULT.

19.1 Upon the happening of an Event of Default, the Agreement may be terminated at the option of the Lessor or Lessee by notice in writing to Lessee or Lessor. The notice may be given at any time after any grace period for default given under Section B.20. All of Lessee's rights in relation to the Site and in all improvements on the Site will terminate as of the date of termination and/or expiration. Promptly after such notice, unless agreed upon by the Parties in writing, Lessee will surrender and vacate the Site and all improvements in good condition. Lessor may reenter and take possession of the Site and of all improvements and eject some or all parties in

possession except any sub-lessee qualifying under any non-disturbance agreement by Lessor. Lessor and Lessee will have all rights and remedies available to Lessor and Lessee under this Agreement, at law, and in equity. Termination under this Section will not relieve Lessee from the payment of any sum then due to Lessor or from any claim for damages previously accrued or then accruing against Lessee. Termination under this Section will not relieve Lessor from the payment of any sum then due to Lessee or from any claim for damages previously accrued or then accruing against Lessor. If the Site is abandoned by Lessee in connection with a default, termination shall be automatic and without notice.

19.2 In the event Lessor terminates this Lease, the Lessor, or those having the Lessor's estate in the Site, lawfully at its option, may enter into and upon said demised Site and every part thereof, and repossess the same of Lessor's former estate, and expel said Lessee and those claiming by and through or under Lessee, and remove Lessee's effects at Lessee's expense, forcibly if necessary, and store the same, without being deemed guilty of trespass and without prejudice to any remedy which otherwise might be used for arrears of rent or preceding breach of covenant. If Lessor terminates the Agreement, Lessor will be entitled to recover immediately, without waiting until the due date of any future rent or until the date fixed for expiration of this Agreement, and in addition to any other damages recoverable by Lessor, the reasonable costs of reentry and reletting including, without limitation, the cost of any clean-up, refurbishing, removal of Lessee's property and fixtures, and/or any other expense occasioned by Lessee's failure to quit the Site upon termination and to leave the Site in the required condition, including, without limitation, any remodeling costs, attorney fees, court costs, broker commissions, and advertising costs.

19.3 The foregoing remedies shall be in addition to, and shall not exclude, any other remedy available to Lessor under applicable law.

20. TERMINATION AND SURRENDER.

20.1 Upon expiration, abandonment, termination, revocation or cancellation of this Agreement, the Lessee shall surrender the Site to Lessor in the same condition as the Site was on the date of possession, except, that nothing in this Agreement shall be construed as to relieve Lessee of Lessee's affirmative obligation to surrender said Site in a condition which complies with all Legal Requirements. Upon Lessor's written approval, Lessee may leave Site improvements authorized by any land use permit. Lessee's obligation to observe and perform this covenant shall survive the expiration or the termination of the Agreement.

20.2 Termination on Default. In the event of a default, the Agreement may be terminated at the option of the non-defaulting Party by notice in writing to the other(s). The non-defaulting Party(s) shall be entitled to any remedies available to that Party under applicable law.

20.3 Termination (Convenience) of Agreement. It is the intent of the Parties hereto that the Site shall be used during said term as outlined in Section A. Notwithstanding this intent, Parties have the right to terminate this Agreement at any time upon giving the other Parties one hundred eighty (180) days written notice and in accordance with Section B.22 of this Agreement.

21. PERSONAL PROPERTY.

21.1 All personal property placed upon the leased Site during the term of this Agreement by Lessee shall remain the property of Lessee except as otherwise provided herein.

21.2 Unless agreed upon in writing by the Parties, upon abandonment, expiration, termination, revocation, or cancellation of this Agreement, Lessee shall remove from the Site all site improvements and personal property of Lessee on or prior to the date of such termination. If Lessee fails to remove all or part of such personal property on the expiration or termination of this Agreement then all such personal property shall become the property of Lessor.

22. NOTICES. Any notice by Lessee to Lessor or Lessor to Lessee must be mailed first class by the United States Postal Service (USPS), postage prepaid, addressed to the other at the address given below or at such other address as either may designate by written notice. Notice shall be deemed effective three (3) calendar days following posting at a USPS location as herein described.

23. NONWAIVER. Waiver by either party of strict performance of any provision of this Agreement shall not be a waiver of or prejudice the party's right to require strict performance of the same provision in the future or of any other provision.

24. PARTNERSHIP. Lessor is not by virtue of this Agreement a partner or joint venture with Lessee in connection with activities carried on under this Agreement, and shall have no obligation with respect to Lessee's debts or any other liabilities of each and every nature.

25. LESSEE NOT AN AGENT OF LESSOR. It is agreed by and between the Parties that Lessee is not carrying out a function on behalf of the Lessor, and that Lessor does not have the right of direction or control of Lessee's operation under this Agreement or to exercise any control over the activities of Lessee.

26. LAND USE PERMIT. This Agreement does not constitute a land use permit, nor does acceptance of this Agreement by Lessor constitute approval of any legislative or quasi-judicial action required as a condition precedent to use of the land for the intended purpose.

27. LESSOR'S RIGHT TO CURE DEFAULTS. If Lessee fails to perform any obligations under this Agreement, Lessor shall have the option, but not the obligation, to do so after thirty (30) days' written notice to the Lessee. All of Lessor's actual and reasonable expenditures to correct

the default shall be reimbursed by Lessee on demand with interest at the rate of nine percent (9%) per annum from the date of expenditure by Lessor. In the event that Lessee, upon using Lessee's best efforts, is unable to obtain all required land use permits, Lessee may terminate this Agreement upon written notice to Lessor. Lessee shall remain liable to Lessor following termination for all unpaid lease payments, charges and damages due prior to termination and any damages, expenses, costs or losses suffered by Lessor due to Lessee's termination of this Agreement.

28. NON-DISCRIMINATION: No person shall be subject to discrimination in the receipt of any services or benefits made possible by, or resulting from this Agreement on the grounds of sex, race, color, religion, creed, marital status, age, national origin, or disability. Any violation of this provision may be considered a material breach of this Agreement and grounds for termination by Lessor.

29. TIME IS OF THE ESSENCE. Time is of the essence of each and every provision of this Agreement.

30. SEVERABILITY. The Parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be void, invalid or unenforceable, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be void, invalid or unenforceable.

31. AUTHORITY. Lessee covenants that it possesses the legal authority to bind its principals to the terms, provisions and obligations contained within this Agreement. If it is determined that Lessee does not have authority to enter into this Agreement, Lessor may terminate this Agreement by providing written notice to Lessee.

32. MEDIATION and ARBITRATION.

32.1 Mediation. Before any party to this Agreement initiates Arbitration and/or litigation in Circuit Court, the parties must first attempt non-binding mediation. The parties shall split the cost of the mediator. If the parties are unable to agree on selection of the mediator, then the Director at Central Oregon Mediation shall choose. The mediation shall last no more than four (4) hours in duration.

32.2 Disputes for Arbitration. If any dispute arises between the Parties and the dispute cannot be resolved, the Parties shall submit the same to binding arbitration. If the Parties are unable to agree upon an arbitrator, then either party may apply to the presiding judge of Deschutes County to appoint the required arbitrator.

32.3 Procedure for Arbitration. The arbitration shall proceed according to the Oregon statutes governing arbitration, and the award of the arbitrator shall have the effect therein provided. The arbitration shall take place in Deschutes County. Common costs of the arbitration shall be shared equally by the Parties, but each Party shall pay its own attorney fees incurred in connection with the arbitration.

33. ENTIRE AGREEMENT. This Agreement and attached Exhibits, if any, constitute the entire agreement between the Parties concerning the subject matter of the Agreement and supersede any and all prior or contemporaneous negotiations and/or agreements between the Parties, whether written or oral, concerning the subject matter of this Agreement — which are

not fully expressed herein. This Agreement may not be modified or amended except by a writing signed by all Parties to this Agreement.

34. LESSOR DEFAULT. No act or omission of Lessor will be considered a default under this Agreement until Lessor has received thirty (30) days' prior written notice from Lessee specifying the nature of the default with reasonable particularity. Commencing from Lessor's receipt of such default notice, Lessor will have thirty (30) days to cure or remedy the default before Lessor will be deemed in default of this Agreement; provided, however, that if the default is of such a nature that it cannot be completely remedied or cured within the twenty-day cure period, there will not be a default by Lessor under this Agreement if Lessor begins correction of the default within the thirty-day cure period and thereafter proceeds with reasonable diligence to effect the remedy as soon as practical.

35. INTERPRETATION. All pronouns contained herein and any variations thereof will be deemed to refer to the masculine, feminine, or neutral, singular or plural, as the identity of the parties may require. The singular includes the plural and the plural includes the singular. The word "or" is not exclusive. The words "include," "includes," and "including" are not limiting. The term "person" means any natural person, corporation, limited liability company, partnership, joint venture, firm, association, trust, unincorporated organization, government or governmental agency or political subdivision, or any other entity. The titles, captions, or headings of the sections herein are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

36. SEVERABILITY/SURVIVAL. If any of the provisions contained in this Agreement are held illegal, invalid or unenforceable, the enforceability of the remaining provisions shall not be impaired. All provisions concerning the limitation of liability, indemnity and conflicts of interest shall survive the termination or expiration of this Agreement for any cause.
