TO: City Council
THROUGH: Keith Witcosky, City Manager
Jason Neff, Deputy City Manager/Chief Financial Officer
Jessica MacClanahan, Public Works Director/City Engineer
FROM: Lindsey Cromsigt, Assistant City Engineer
SUBJECT: Proposed Public Works Municipal Code Updates

Report in Brief:
This is an informational item to provide the City Council with an overview of several Public Works-related amendments to the Redmond Municipal Code.

Background:
The Public Works Department has been working on code updates since 2025. Amending the Municipal Code requires Council approval of an Ordinance. Staff is bringing this topic to the Council to preview the proposed changes, which will be brought to Council at a future hearing date.

Discussion:
The proposed municipal code changes include the following topics:

- Pruning in the right of way
- Stormwater penalty payment requirements
- Backflow prevention assembly device requirements
- Irrigation schedule requirements and exemptions
- System Development Charge assessment and collection requirements

Fiscal Impact:
There are no direct fiscal impacts to the City with these amendments.

Alternative Courses of Action:
No action is being requested at this meeting.

Recommendation / Suggested Motion:
No action is being requested at this meeting.
