CALL TO ORDER

Shaun Larson called the meeting to order at 4:00 pm.

Present: Chair Shaun Larson, Leslie Neu-Lamping, Ben Randall, Tim Larkin, Connor Cubic

Excused: Bob Nash Co-Chair, Scott Ferguson, Fred Bray, Cathy Drzyzgula

Staff Present: Lindsey Crowsigt, Assistant City Engineer

Others Present: None

APPROVAL OF MINUTES

1. The committee approved minutes from June 2026.

ACTION ITEMS

1. None

CITIZEN COMMENTS

None

DISCUSSION ITEMS

1. The committee discussed the Safe Routes to School program. Lindsey shared the grant was awarded and BPAC will be included on the next steps, which will include a site visit and existing condition assessment. Lindsey offered that members should visit the schools (Obsidian, Lynch, and John Tuck) for better feedback at next meeting.
2. Committee discussed desire to implement code changes to bike parking standards. The committee discussed options to either require bike parking by land use code or by general category (industrial, commercial, etc.). Scott Ferguson volunteered to lead this effort with help from Cathy and Ben. They will provide a draft code to BPAC at a future meeting for review and feedback. City staff encouraged more general categories (industrial, commercial, etc.) rather than assigning number of spaces by use.
3. Committee discussed National Night Out and Bike Counts day. Lindsey will obtain handouts and swag and organize volunteer sign ups. Lindsey will adjust BPAC meeting day in September 2026 due to count days.
4. Shaun Larson discussed path etiquette and said he'd bring examples of good signage to next meeting. The intent is to discuss with Parks Committee at a future joint meeting.

5. Shaun Larson discussed the need for a bike path along Obsidian or Quartz to serve the new Rec Center. The committee discussed ways to share the importance of this item with Council. Lindsey advise this can be included at a Council work session.
